

## Mark Noble-Campbell Memorial

This issue of Studio News is dedicated to Mark Noble-Campbell whom we were privileged enough to have worked alongside for a short time last year and in 2009. A gentle man who embraced life with open arms, who was dedicated to personal best and who's goal was to provide a high level of customer satisfaction. Greatly missed - never forgotten.

## Pamper Package Promotion

31st January signifies the end of our Pamper Package.

It was an extremely successful 2 months with over 25 properties taking advantage of the promotion. Nicci Gooding provided us with some beautiful floral arrangements and our new-look marketing flyers certainly had these listings looking absolutely stunning!

Interested in selling? Call our team for an obligation free appraisal today and see what we can do for you that other agencies aren't.

## Sponsoring ABC Educare

We begin this year by sponsoring ABC Educare with the provision of some amazing new equipment for the little tots in the nursery. This equipment and future donations will assist in the confidence of movement throughout the infant development stage. Watch this space for future donations.

We are also offering \$100 to every family or staff member of ABC Educare who list and sell their property with us. This donation will go towards further equipment to help young minds grow!
